

Press Release

Polish Handball Federation and EVENTIM sign ticketing partnership

- **Ticketing contract awarded for IHF Handball World Men's Championship 2023**
- **Largest event in Polish handball history**
- **Ticket sales start in March 2022**

Warsaw, 15 November 2021. EVENTIM Sp. z o.o and the Polish Handball Federation have entered a partnership that sees the company becoming the official ticketing partner of the IHF Handball World Men's Championship 2023 in Poland. EVENTIM Sp. z o.o is a subsidiary of CTS EVENTIM, the European market and technology leader in ticketing. EVENTIM brings outstanding experience to the partnership. Among other things, CTS EVENTIM was the exclusive ticketing partner of the 2006, 2014 and 2016 Olympic Games, and the 2006 FIFA World Cup.

Henryk Szczepański, President of the Polish Handball Federation, commented: „EVENTIM is an experienced partner in selling tickets for the largest sporting events and a leader in ticketing services in Europe. It is a company with a recognized brand, created on the basis of cooperation with many organizers of sport events of the highest rank, including tournaments, World and European Handball Championships. We trust that its experience will help us building a success of the World Championships. EVENTIM is a strong partner to meet the challenge of organizing the tournament.”

Joanna Comberska, Managing Director of EVENTIM Sp. z o.o., said. „We are delighted that ZPRP has chosen EVENTIM as its ticketing partner. We are pleased to provide our market leading technology for the first time to an international sporting major in Poland.”

At the 28th IHF Handball World Men's Championship 32 teams will play a total of 112 games in Poland and Sweden from January 11-29, 2023. With 61 matches in Poland it is the largest event in the Polish handball history. Team Poland will play its Preliminary Round including the Opening Match and its Main Round (if qualified) in Spodek Katowice. Advance tickets sales for the tournament in Poland are scheduled to begin in March 2022.
